

SECRET

#33662

3 February 1966

TO : Herrn Castrop
FROM : #29
SUBJECT: Hans Joachim Rechenberg

1. Richard Christmann has advised us that during a conversation he had with Rechenberg in Rechenberg's office in May or June 1965, Rechenberg asked him for the names of persons in Algiers who were involved in anti-German activities. Christmann claims that he cited Serge Michel as the prime example of a bitter anti-German.

2. It would assist us ~~urgently~~ on our investigation if you could determine whether Rechenberg reported this conversation to GAMMA, and whether he described Serge Michel as an active anti-German.

3. We would also be interested in receiving your traces and evaluation of Serge Michel.
